# JESUS Film Ministry Trip

## Go Experience the Harvest!

A ministry trip is self-led by your local church, small group, class, or business. It is comprised of **7-10 people** who join together to **fund and deliver equipment** directly to a JESUS Film team of nationals who are committed to reaching their country for Christ. Trips include **working hand-in-hand** with a JESUS Film team **on the field** and may include helping with a JESUS Film showing, equipment set up, handing out invitations, praying during the show, outreach, VBS, compassionate ministries, etc. Activities and needs vary by country. **Select a destination** from the list below.
